

RUSACK

2018 CHARDONNAY
Santa Catalina Island

94 92

POINTS POINTS

VINOUS &
WINE ENTHUSIAST

JEB DUNNUCK

The classic cool-climate conditions and clay loam soils that exist on Catalina Island make it a world-class site for Chardonnay. The resulting wine exhibits old-world, silky complexity, including bright, light vanilla flavors with hints of minerality, and aromas of California's famed citrus and white flowers.
