*The grapes for our Santa Barbara County Chardonnay come from a cool-climate vineyard within the area – in Santa Maria Valley, American Viticultural Area (AVA.) After being whole cluster pressed and settled, the juice was barrel fermented in both new (25%) and old 1er French oak. The lees were stirred every two weeks for four months, and the wine underwent a full malolactic conversion. The Chardonnay aged ten months in barrel before being released in Spring 2023.*
